

Dear Adelpia Families,

Season's Greetings! Let us be the first to wish all of our families a joyful holiday season. We would like to begin by taking an opportunity to express to all of you how very fortunate we feel to be members of a school community with such wonderful students, parents, and staff. As we begin to plan for the upcoming busy time of the year, please allow us to share some *Holiday Wishes...*

At this time of the year, questions always arise about gift giving. We believe the "gift of time" is one of the most valuable gifts you can give to your child. Although finding that time can sometimes be difficult, it is always well worth it. Every minute that you spend together is an investment that will pay off for a lifetime.

When shopping for your child, please consider gifts that will encourage him/her to think critically, problem solve, imagine, create or improve basic skills. Books and magazine subscriptions make excellent gifts for the holidays. Thinking skills, strategy games, science kits, vocabulary and math games, and arts and crafts activities all provide your child with opportunities to learn and grow.

The most important thing we can do is love, care for, listen to, and spend time with our children. These are the gifts that are truly priceless.

In closing, on behalf of the entire Adelpia Staff, we extend to all of you our very best wishes for a happy and healthy holiday season. Thank you for sharing the gift of your children with us.

Warmest Regards,

Danielle Palazzolo  
Principal

Happy  
Holidays
