

Dear Adelpia Families,

It seems hard to believe the month of September has come to an end and the 2017-2018 school year is officially underway. We are happy to share that our classrooms, hallways, and cafeteria have been filled with smiling faces and happy children. The Adelpia Staff is comprised of dedicated and compassionate educators who are committed to the well-being of our children.

As we begin to cultivate a partnership with you as parents, we are excited to help guide our students through their educational journey. In working together, we can develop a love of learning in students that continues for years to come. Some ways that you can help guide and support your child's learning are ensuring that he/she:

- Attends school daily and arrives on time, ready for the day's learning experience
- Reads and writes daily to develop a love for reading and to improve literacy skills
- Talks about school experiences - You can ask about what they learned and how they felt during the day
- Gets enough sleep, eats a healthy diet, and gets regular exercise to help them concentrate

Please consider volunteering and getting involved in school events and activities. Students can greatly benefit from your involvement and contributions to the school. We love to have families:

- Get involved with our school PTA and attend PTA functions
- Join in school wide events such as Parent/Teacher Conferences and American Education Week
- Participate in Trimester Family Challenges and Community Service Projects

The Adelpia School Staff feel privileged to be a part of this school family. We thank you for your support.

Warm Regards,

Danielle Palazzolo
Principal
