

Dear Adelpia Families,

The weather is beginning to get cooler, the leaves are changing into vibrant colors, and the night sky is getting darker earlier. Fall is here and we are settling into the routine of the 2018-2019 school year. This time of the school year tends to be busy and we would like to share some upcoming special events. Please consider joining in the school wide events and activities listed below. It is through our continued educational partnership that children succeed.

- **American Education Week:** Adelpia Administration and Staff invite you to visit our school and experience the exciting learning experiences that take place in your child's classroom.
- **Parent/Teacher Conferences:** Conferences are an essential part of a student's education. The information gained by attending conferences can be utilized to help your child succeed in school. Please use these conferences as a way to get to know your child's teacher and become informed about your child's progress in school.
- **PTA Meetings and Functions:** Adelpia School is very fortunate to have such a supportive PTA. Monthly meetings, events, and functions are planned with Adelpia families in mind. Our PTA is always looking for parent participation. We encourage all of our community to join and get involved!

We are committed to partnering with our families to help guide students on their educational journey. By working together, we can develop a love of learning in students that will continue for years to come. We thank you for your support and for partnering with us to ensure your child's success in school.

Warm Regards,

Danielle Palazzolo
Principal

Taryn Doyle
Assistant Principal
