

Dear Adelpia Families,

It is my pleasure to welcome you to the beginning of an exciting 2017-2018 school year. We hope you have enjoyed your summer vacation and time as a family. The administration and staff of Adelpia School are eagerly awaiting the arrival of our students so we may begin a school year filled with new and exciting learning opportunities. The first day of school is Thursday, September 7th for students. We ask that if you are dropping off your child in the morning that you remain on the side of the driveway across from the school building. Our staff will be in the front of the building greeting students as well as assisting when children are crossing the driveway and walking to class. Our school doors will open promptly at 8:40 AM for student arrival.

Please be assured that when your child arrives to school on September 7th, they will be greeted by our staff and completely supported during the arrival and dismissal process. Please be sure to continually visit the district and school website at www.howell.k12.nj.us for updates throughout the year. We will also send out information via school messenger. If you do not have internet access, copies of all documents will be provided for you.

During the first few days of school your child will receive many important documents that will require specific information. We request your assistance in promptly returning this information to your child's teacher. It will also be necessary to take the time and carefully review the student handbook with your child. The handbook may be accessed on the district website and contains important information regarding the policies and procedures that will be in effect for the 2017-2018 school year. In addition, our teachers and administration will be reviewing the district student handbook policies and bus procedures with all students.

In closing, we look forward to working closely with you and your child as we embrace the many opportunities to grow your child not only academically, but socially and emotionally as well. Enjoy the remaining days of summer and we look forward to welcoming all students on Thursday, September 7th.

Warmest Regards,
Danielle Palazzolo/Principal
